

Pavilion Sport Fields

LPC have asked SKDC to provide details of all the leases and costs involved with the various elements of the field. undertake a condition survey of the pavilion. We understand that the building is on a repairing lease with the preschool.

As the precepts have to be set very soon for April 24 and we will have to transfer money from the SKDC special fund to our precept we will set a target for the transfer to take place in April 25. This will give us time to set up a management committee with the interested clubs and formulate plans for the future.

SKDC - Summary of agreed actions

SKDC will commission a condition survey of the buildings predominantly the pavilion and share this with the Parish Council when available

SKDC will provides copy of all legal documents relating to all lease and user arrangements in place within the SEA area

SKDC will provide financial information relating to costs being incurred at Langtoft SEA specifically grounds maintenance

SKDC will provide any other information relevant to the SEA that may be of assistance to the Parish Council.

Upon receipt of this information and should you consider it beneficial we are happy to attend a face to face meeting with parish councillors to discuss and respond to any questions that may have.
