

The background is a watercolor illustration of autumn foliage. It features various shades of orange, yellow, and brown leaves, some with dark veins, scattered across a light cream-colored background. Small red berries are interspersed among the leaves. The overall style is soft and artistic.

Editor's Welcome.

Welcome to the last edition for 2024.

Over the year we have circulated the Newsletter either by delivery to your home or by posting online on the Parish Council Website.

As we plan for 2025 we would like to hear from you as to how you would like to receive the Village Newsletter along with any recommendations you may have for content.

Your feedback is important to us so please complete the tear off response slip and pop into box held at Village shop or complete the response online.

Thank you for your support over the year. Enjoy the months of Autumn, take time to explore our great parks and nature reserve that look spectacular this time of year.

Regards

Langtoft Parish Council

DEADLINE FOR NEXT EDITION IS 17th January 2025

All content to be sent to Graytones Printers

mail@graytones-printers.co.uk

Articles may have to be edited and do not express the views of editorial team.

Parish News.

It is with great pleasure we announce Liz Jarman as a new member of the Parish Council. Liz was duly elected in September, with her knowledge of the village, and connections with community groups she will most certainly be a great asset. Having new members enables us to explore further how we can represent and support the village. We currently have three council vacancies and are always in need of volunteers. If you want to make a positive difference to your community then please contact the Parish Council Clerk.

Over the last couple of months, the Parish Council have engaged with both the Deepings Patients Participation Group and the Deepings Community Policing panel. Both sessions responded to questions raised by local Parish Councils along with offering insights into crime rates, community speed watch programs and patient wait time for an appointment and repeat prescription challenges. Full detail and minutes of both meetings can be found on the Langtoft Parish Council website.

As in previous years we'll be laying wreaths on behalf of the village at the church and cemetery on Remembrance Sunday. Please feel free to come along and join us.

As you read through this edition of The Grapevine you'll get to hear about the voluntary work, community and charity events that have taken place. Our village is certainly very active and inclusive. On behalf of the village, we would like to thank all the organizers, volunteers and businesses for their support throughout the year.

There's no denying autumn is now creeping in and Christmas festivities on the horizon. Keep an eye on our social media pages over the next few weeks as we'll be announcing our Christmas Window competition and our Christmas in the Parks tree lighting evenings.

As always there's an open invitation to come along to the Parish Council Meetings. The dates, agendas and minutes are posted on the Parish website and on the village notice boards.

Regards

Bev Farrington

Chair, Langtoft Parish Council

From your SK District Councillors

Cllr Vanessa Smith

Vanessa.smith@southkesteven.gov.uk

07474874895

Cllr Rosemary Trollope-Bellew

Cllrr.trollopebellew@southkesteven.gov.uk

01778 560534

Dear Residents,

As the days begin to shorten the weather has certainly changed. Heavy rainfall has already caused some localised flooding. Please remember that Lincolnshire County Council is the lead flood authority (contact 01522 782082). The District Council will continue to support residents and direct enquires as appropriate. If you feel that your life is in danger or property is in immediate risk of flooding please ring 999 and ask for Fire Services.

We understand that for some the removal of the Winter Fuel Allowance may cause financial difficulty. At the September Council meeting a large majority of members supported the Leader of the Council in sending a letter to the Chancellor expressing concerns. SKDC is also carrying out targeted support by reaching out to pensioners to help assess their eligibility for pension credit claim as well as offering other forms of assistance. If you would like us to put you in touch with the council's Cost of Living Team then please get in touch.

The new battery kerbside collection which commenced in September has proved a great success. Please remember to place batteries in clear bags and leave on the top of your weekly bin collection. This was introduced to stop fires inside the bin lorries. It is hoped that the new service will soon also include the collection of disposable vapes.

Last month Cllr Vanessa Smith took part in the first Greatford Manor Farm Quarry Liaison Group meeting. This gives an opportunity to make sure all planning regulations are adhered to and residents a point of contact for raising their concerns. A date for commencement of work at the site is still to be confirmed.

SKDC is in the process of reviewing its Local Plan, this outlines site allocation for new housing and other land use. The change in government at Westminster may mean that more housing needs to be delivered throughout the District. Possibilities are being considered and a further consultation on the SKDC Local Plan is expected in new year.

We both attend most Parish Council meetings and are committed to serving the needs of our community and speaking up for residents. If you have any concerns, suggestions, or feedback, please do not hesitate to get in touch. Thank you for your ongoing support.

SAVE A LIFE – CPR AND DEFIBRILATOR TRAINING

Julian Witherington and his lovely assistant Sophie from SK Leisure came for the third time to the Langtoft Village Hall on Friday 4th October to give an extremely interesting talk with film, slide show and demonstrations on how to Save a Life by performing CPR and how to use a Defibrillator. The talk also covered Choking and Secondary Drowning. Secondary drowning is fortunately a rare occurrence but this training highlighted the fact that ANYONE who has “drowned” or been immersed and taken water into their lungs should ALWAYS see a doctor even though they have appeared to have made a full recovery

11 people attended and it was a delight to see two young men in this group, Benas Baukas 16 and Oliver Wheatstone 15, Let's see if we can encourage more to the next one!

At intervals during the talk the attendees were able to practice on four dummies the various stages of attending someone who required CPR. The giving of CPR proved just how hard it is to maintain 30 compressions and 2 breathes but all present did admirably!

The talk then moved onto Defibrillator's and again after watching their use demonstrated by Sophie, all had a turn at the of how to use a defib safely from first finding an unconscious, not breathing person to the Ambulance arriving.

These training sessions are provided free of charge by Julian and his team from SK Leisure and are excellent. If anyone wishes to donate to enable them to continue with these sessions please use the following details.

<https://www.riss.org.uk/Appeal/support-our-drowning-prevention-efforts>

NEXT SESSION: 6TH December 6.30pm in the Village Hall

Finally – we have 4 defibs in Langtoft 1 at the Village Hall, 1 at the X Roads, 1 at New Road and 1 at Black Bull Green

Church News.

November's sky is chill and drear, November's leaf is red and sear."

Sir Walter Scott

It is that beautiful time of year, the leaves are falling and as the days shorten it is still a treat to close the curtains and snuggle into the cosiness of our evenings, although the novelty may soon wear thin.

We are blessed to have safe and cosy places to call home and as we enter the time of remembering it is sobering that as we draw closer to the Remembrance services that the war to end all wars didn't.....

This year 97 countries deteriorated in peacefulness, more than any year since the inception of the Global Peace Index in 2008.

Ninety two countries are currently involved in conflicts beyond their borders, more than at any time since the inception of the GPI.

So many people around the world cannot close curtains and settle down for the evening, as we look past Remembrance towards Advent and Christmas it is heart-breaking to see what is happening in the Holy Land.

Someone asked me why God allows these situations to happen when Jesus could heal the blind and the lame, the answer I gave was that those people asked for healing. So many of us sit back and ask why God lets these things happen when what we should be doing is turning to God and saying please help.

As the year draws to a close, think about how you may respond to this season. As we remember the past and look forward to the time of peace and good will towards all men, perhaps we can all pray.

Carolyn

Langtoft Events.

Langtoft 10k & Fun Run

As autumn gets into full swing, the minds of our committee turn to spring and what will be our 34th event on Sunday 4th May. Before we start our planning meeting for 2025, we want to say a quick thank you to everyone who supported our event in May this year. As a result of another fantastic turn-out, we were able to donate hundreds of pounds to five Langtoft based good causes: Langtoft Pre-School, Langtoft Primary School, Langtoft Bowls Club, Langtoft Church's food bank and Bumps 2 Four.

To ensure we can continue donating to the community for many years to come, we need to recruit some new members to our small, but dedicated organising committee. It's not a huge time commitment and it's a great opportunity to meet new people and make a contribution to village life.

For details, please email langtoftroadrun@gmail.com.

MACMILLAN COFFEE MORNING -Friday 27th September 2024

On a rather gloomy Friday the tables were set and dressed in the Village Hall for this years fundraising for Macmillan.

Cakes were baked by SO many people for this event for which Nicola and I were truly delighted and grateful. The selection was amazing – googy chocolate, Lemon Drizzle, Fruit cake, Victoria sponges, cupcakes, almond slice, apple and banana cakes - too many to mention but the beauty of them all placed on cake stands kindly loaned by our Church was a sight for cake loving eyes!

The event opened at 10.30 but we were ready and willing to serve up the delights earlier than this. It was lovely to see so many of you enjoying the bakes and being supplied with non-stop cups of tea and coffee. It was also wonderful to see so many chatting away with friends old and new whilst supporting this worthy cause.

Nicola and I would like to thank ALL those who baked, volunteered their time to help and especially all of those that came a gave so generously by buying cakes and raffle tickets.

We are delighted to say that when all was safely gathered in, we raised a grand total of £1200.10! Thank you everyone .

Nature Watch.

East End Pond

This year, a small pool of water remained in the pond right up until mid August giving the newt tadpoles time to mature and leave the water to become air breathing land-based amphibians. They have now left the pond area and will spend autumn and winter in woodland, scrub and gardens often under logs or other debris. They reach sexual maturity at between two and four years of age at which point they return to ponds to breed. These two juveniles were seen hiding beneath one of the many rocks surrounding our pond and will now have journeyed further afield.

Further pollarding of the self-set willows took place during the later part of September which has really opened up vistas across the pond area. The brash was chipped and removed from site and village volunteers then moved the remaining timber, extending the existing log pile and creating an additional one.

September 2024 was the second wettest September on record for Lincolnshire and as a result, water levels in the pond have risen very early and quickly with approximately 3 feet of water currently in the pond. The planned silt excavation therefore had to be undertaken in wet conditions which was not ideal. However, deeper areas have been created which should mean water is retained in the pond for a longer period during the summer. In time the silt and soil which was deposited on the banksides, together with the pollarded willows, will green up restoring the attractiveness of the site.

Nature Watch.

Penfield Nature Reserve

The autumn is upon us so at the nature reserve we are busy doing much as everyone is doing at home. We are trimming, pruning and tidying ready for the baron season of winter. In order to try and be a little greener than last year, we have purchased a number of scythes and all the team have had scythe lessons and instructions on how to use them safely, which will save the fuel for the strimmers and the mower.

At long last we have agreed on a contractor to lay the path from the main gate and we expect work to start on the building works in the new year.

A team from Caterpillar in Peterborough came for a team building day and after a day of hard labour they have made a good start on the newt pond that we are planning to open next year.

We have many varieties of tits, finches, robins and other birds visiting the bird feeders at the moment and we will continue to feed them throughout the winter months.

One of our last activities to do this year will be to take down the nest boxes and clean out the Sand Martin nesting box to see and record what nesting success we have had.

Recent visitors will have noticed that we have erected some information boards at various locations around the reserve showing the birds, insects and mammals can be seen.

Our Wildlife photographer has recorded many of our resident creatures, including Hare, Muntjack, Roe Deer, Badgers, Coots, stoat, the Bittern and other wildfowl, including visiting Otters. On Thursday the 12th December the team will be giving a presentation at the village hall. This was a great success last year so please come along at 19:30 to see what we have discovered this year.

Continued thanks to the growing number of volunteers who turn out to help with the work on site. We are all of a certain age and would love to encourage younger participation if we can. If any one would like to help out the Penfield team, either as an on site volunteer or as part of the management team, please email clerk@langtoftparishcouncil.org and we will be in touch.

On site work parties usually take place on Wednesday mornings from 09:30 to 12:30 and occasionally on Saturdays too. Children under 16 are welcome but must be accompanied by a parent or guardian.

Andy Hallam

Chair Penfield Management Group

From the Allotment.

Langtoft Allotment and Gardening Association

Calling all gardeners -

Have you thought of growing your own fruit and vegetables?

Have you thought of renting one of our allotments?

Think of the benefits for you and your family :- healthy exercise, fresh air, fresh fruit and vegetables that you and your family have grown, satisfaction that you are producing vegetables for the dining table, cheaper than the supermarkets, comradery with other like-minded gardeners.

By early 2025 we will have several allotments to rent. If you would like to have one, contact either:

Mike Phillipson (Chairman of LAGA) at mikeptramp@aol.com (07967006769) or

Karen Brisbane (Secretary of LAGA) at brisbane468@btinternet.com

(07730620307)

If you would like to have chat before making any decisions about having an allotment, please contact either of us above.

Langtoft WI

Our WI takes a break in August. However, we were back in September with an interesting talk by the staff of Hotel Chocolat in Stamford who also brought a selection of delicious samples for us to try and showed us how to taste chocolate like a pro. We learned that Hotel Chocolat is an actual hotel in St Lucia, where they also have a farm. Because it takes 3-5 years for cacao trees to bear fruit, farmers are reluctant to grow them as a crop. Hotel Chocolat agreed to buy the whole crop at over the market rate to persuade farmers to grow cacao trees. Beans take on the flavour of the area in which they are grown, like wine, and every part of the fruit is used, including the shell, which is used in the hotel to infuse in tea and gin. The chocolates are all made in their factory in Huntingdon.

It was our pleasure this year to host the regional Hereward Meeting, which was also held in September. WI members from Baston, Deeping St James, Thurlby and Carlby joined us for an afternoon tea with speaker, Nicola Sandall, who gave us a lively talk on the lords and ladies of Stamford.

Our Campaigns

The WI plays a very important role in campaigning nationally for change in issues that affect women and girls as well as the wider community.

The Women's Institute is democratic and member-led, and our resolutions and campaigning process is unique in putting members at the heart of decisions about our campaign activity. Every issue that we campaign on stems directly from a resolution put forward by members meaning WI members have a unique opportunity to turn a concern into a national campaign every year, backed by the whole of the WI.

A resolution is a call for change on a current issue in society. Once a resolution has been adopted at the Annual Meeting, the Public Affairs Department turns it into a campaign. Through national and local campaigning, members play a key role in achieving change on important issues.

Clubs.

Langtoft WI

Over the last 100 years, WI members have campaigned on an incredible range of issues, increasing public awareness and bringing about real change. The very first WI resolution was passed in 1918 and called for a 'sufficient supply of convenient and sanitary houses, being of vital importance to women in the country'. In 1922 and 1924, two resolutions were passed calling for an increase in women police. With its roots in rural life, protection of the countryside has always been important to the WI and it was a resolution in 1954 that brought about one of the WI's most significant initiatives. This resolution called for a campaign to 'preserve the countryside against desecration by litter,' and subsequently led to the formation of the Keep Britain Tidy group. The WI was one of the several organisations who founded the Fairtrade Foundation in 1992.

In May 2023, the WI launched its Clean Rivers campaign to clean up rivers and promote bathing water status as a way to achieve this. Water quality in our rivers is shameful. Making, supporting and promoting applications for officially designated bathing sites on appropriate stretches of rivers will be instrumental to the clean-up of rivers as it has proved for water quality improvement at coastal beaches. The WI has joined the River Action UK body and signed its Charter for Rivers, calling on the government to commit to ambitious yet achievable actions for healthy rivers by 2030.

This year there were over 95,000 individual selections cast by WI members and the most popular resolution was Dental Health Matters. There is a chronic shortage of NHS Dentists and people are suffering health issues as a result. The WI calls on the Government to increase investment in the training and retention of dentists and to review the current inadequate NHS contracts to ensure everyone can access an NHS dentist wherever they live. This resolution was put forward to the WI Annual Meeting in May. Source <https://www.thewi.org.uk/campaigns>

Future Meetings

Our meeting on 18th November is an open meeting with a talk by Tim Stubbs, called "Antiques to Inspire". Everyone is welcome to join us. Please see poster in this magazine for further details.

There will be seasonal festivities with bring and share food at our December meeting, on 16th December.

Meetings are held in Langtoft Village Hall and begin at 7.30 pm.

Visitors and new members are always welcome at Langtoft WI. For further information, please call our president, Jean on 01778 345037.

Clubs.

Langtoft Bowls Club

Another season came and went all too quickly, just 5 months long, the early part of which was unusually wet and cold. We have new Club Champions, Jim Pryor and Pat Booth (both pictured below with runners up John Vaudin and Ann Northen) who we hope will represent us next season in the County Champion of Champions competitions.

Our Red team won their Division and the Blue team were relegated so both will meet next season in the Peterborough Club 55 Division 2. The 'A' team were relegated from the Peterborough Premier Division while the 'B' team finished mid-table in Division 2. Finally, the Peterborough Weekend team face relegation from Division 2. In the Stamford League, proposed restructuring may save us from relegation despite finishing bottom of Division 1.

The season finished with a flourish, the Club Finals weekend, our Coronation Trophy and finally the Rose Bowl & Plate competition which finished as the season started – wet!

The green has been put to bed after a mammoth task of reinforcing the edges and then restoration work. It will still be worked on monthly throughout the winter to hopefully produce a quality surface again next year.

So where do bowlers go in the winter? A considerable number of our members play indoors at Stamford Indoor Bowls Centre and there are also indoor options available at Spalding and Peterborough.

In the New Year, a small group of us are going to Potters Resort in Norfolk, home of the World Indoor Bowls Championships, for a short bowls and entertainment break. We are always looking for outings and the like throughout the year, so we are a bit more than just a bowls club. Our recent Quiz Night in the Village Hall was well attended and enjoyed by all.

One more reminder that Coffee Mornings every Wednesday and our jigsaw lending library are again available to all, just call in between 1000 and 1200.

Nick Carr - Chairman - Langtoftbowlschairman@gmail.com

Langtoft Pre-School

Langtoft Pre-School was founded in 1975 and is a registered charity, Charity No: 1076471. We offer a safe and happy environment in which children receive an outstanding quality of education and care. Langtoft Pre-School is registered with Ofsted and at our most recent inspection we were rated as **good**.

Langtoft Pre-School aims to:

- Provide high quality care and education for children primarily below statutory school age.
- Work in partnership with parents to help children to learn and develop.
- Add to the life and well-being of its local community.
- Offer children and their parents a service that promotes equality and values diversity.

At Langtoft Pre-School we provide:

- A choice of sessions for children from 2½ to school age
- Breakfast Clubs and 'Rising Five' sessions
- A caring environment where children learn through play
- Outdoor play all year round
- 15 hours funding for all 3 and 4 year-olds
- 30 hours funding for those eligible 3 and 4 year olds
- 15 hours funding for eligible 2 year olds
- Transition to all local primary schools

Bump 2 Four

Friday Fun at Bumps 2 Four

It's been a busy time at Bumps 2 Four (Langtoft's baby and toddler group) since we started back in September. We meet every Friday during term time at the Village Hall from 9.30 – 11am and always have lots of activities and toys out for babies, toddlers and preschoolers. And of course, there's always a hot drink and biscuits for parents and carers and a chance to chat.

We celebrated Reading Week at the beginning of September with lots of stories to look at and read and we even made our own books! Our Teddy Bears' Picnic was a lot of fun with everyone enjoying the play dough and toy kitchen.

Our messy play is always a huge hit with all ages. One of the very popular plays was when we had construction week and the kids loved playing with the construction toys in the different types of breakfast cereals.

A huge thank you to our recent supporters, including Tesco Market Deeping and Mamma & Mini.

Community Groups.

Bump 2 Four

And a special big THANK YOU to the Langtoft Road Race committee who made a donation of £250, which will go towards replacing some of our older toys and resources.

Coming up we will be having sessions themed around Halloween and bonfire night, as well as starting to make Christmas decorations when we get into December.

Our last session before Christmas will be Friday 16 December for our annual Christmas party!

Bumps 2 Four is on every Friday during term time at Langtoft Village Hall from 9.30 – 11am. Just £2 per family. No need to book, simply turn up. Follow us on Facebook to keep up to date with all the news. Search for Bumps 2 Four.
