

Lincolnshire Devolution: Mayoral elections due in May.

Local Government Reorganisation: Much uncertainty but district councils and county councils will be abolished and new unitary authorities formed. LCC elections are going ahead in May but these will be the last.

Mallard Pass: Has been sold on to another investment company - Quinbrook Infrastructure Partners

Greatford Quarry: Deadline for comments to LCC 22nd Feb. I would encourage residents to comment

Local Plan: Due to central government's commitment to increase house building more allocated sites are required by local councils. This means that SKDC's draft local plan has had to be further revised and will be going forward for another public consultation later this year - June/July 2025. I will circulate details when available. <https://www.southkesteven.gov.uk/planning-building-control/planning-policy-local-plans/local-plan-review>

Langtoft specific:

Weight limit Consultation: As you are already aware, this is currently at statutory consultation (consult the Parishes, SKDC, Police etc.) for a 7.5 tonne weight limit to be introduced for Baston and Langtoft The statutory consultation will end on 5th March and if no objections are received, the public consultation will start about a month later. This will include notices on site, in the newspapers etc. The public consultation will last for four weeks and the scheme can be introduced if no-one objects. If there are any comments to send them to [TRO@lincolnshire.gov.uk](mailto:TRO@lincolnshire.gov.uk) and they will be actioned / noted.

Pavillion Lights: SKDC hoping to repair next month

Manor Close play area swing: I am told this was replaced by SKDC last month

Work to clear some of the self set willow at The Rides - I am not sure whether this work has been completed yet by SKDC. I will chase if has not.
