Maintenance & Repairs

Replacement Timbers

15 Year Guarantee

We use high quality timber from FSC (From forests are managed to strict environmental, social and economic standards) certified slow grown softwood for all our replacement timbers. Whether it is our laminated Safalog products, round log or square sectional replacements it is pressure treated with ACQ after machining to size, providing a long-lasting low maintenance product that complies with BSEN335 Part 1, use class 4 in ground contact timber.

Inspections

RPII Certified

There are 3 types of playground inspection that should be carried out. A Visual Inspection that can be carried out by your own maintenance staff, an Operational Inspection that we offer from our fully qualified team and Annual Inspections to be carried out by an independent specialist.

For more information please visit www.onlineplaygrounds.com/maintenance-services, email maintenance@onlineplaygrounds.co.uk or call 01354 699482 where our dedicated team can assist with your requirements.

Project Assumptions

The following assumptions have been made regarding this quotation:

- Quotation is Valid for **60 days** from date of creation. Please contact your OLP representative, if you would like us to check and update the prices for a further period.
- Good access will be available to the site.
- Estimate or Quotation? Whilst we endeavor to provide fixed prices for all maintenance and repair works sometimes additional issues are discovered during the works. When this occurs, the client will be advised of the discovered problem and the additional cost of the repair before the further work is carried out.

Ordering Is Easy

- Call 01354 699482
- Email: maintenance@onlineplaygrounds.co.uk

Payment and Delivery Terms

If you have a **Trading Account** then the total invoice is payable within 28 days of project completion, otherwise payment in full by **Pro-forma Invoice** is required.

* All delivery times are from receipt of official order subject to seasonal demand. The delivery times of "genuine spares" unless in stock is unfortunately beyond our control and in some cases can be up to 8 weeks.

I trust the above quotation meets with your approval and look forward to receiving your further instructions. If in the meantime you need any more information or changes making to this proposal, please do not hesitate to contact me.

Yours Sincerely
