#### FORTHCOMING ENGAGEMENTS

If there are any events coming up that you would like us to attend then please get in touch. PCSO Everitt continues to carry out a mixture of vehicle, cycle and foot patrols of the area and is happy to stop and answer any questions people may have.

#### LOCAL PRIORITY

Every three months, we listen to your concerns and look at recent crime statistics to shape the things we will concentrate on for the next three months. During September this priority will be reviewed. Our current priority is:

##### **Inappropriate vehicle use on Northfields Industrial Estate**

If you have any issues that you feel need to be considered at the next quarterly priorities meeting then please let us know.

#### ASB

The number of ASB incidents reported to us has remained much lower than we would have expected for the time of year.

The parish council have been made aware of ASB on East End Park, but this has not been reported by any residents to police. Any resident affected by ASB should report to police either by calling 101 or via our online reporting page. These reports help identify where patrols need to be targeted and also helps us to determine our neighbourhood priority each quarter.

#### Vehicle ASB

There has only been one report of vehicle ASB on the industrial estate during August. Officers attended promptly, but on arrival there was no inappropriate behaviour being displayed.

#### Robbery

There was a Robbery carried out at the bookmakers in Market Deeping on 25<sup>th</sup> August. Thanks to all the members of the public who contacted us with information, officers were able to apprehend the suspect very quickly.
